

NAVER Management Policy for Safety and Health

NAVER Corporation places the safety and health of customers, employees, and society as the highest priority in all management activities. As a disaster-free workplace, we strive to comply with social and environmental responsibilities, laws and regulations, and achieve sustainable management through the active participation of our employees.

[BETTER HEALTH]

We take measures to promote and maintain health in an effort to prevent potential physical or mental illnesses.

[BETTER SAFETY]

We identify and eliminate risk factors in advance and minimize damage by establishing a response system in the event of an accident.

[BETTER ENVIRONMENT]

We provide a pleasant and safe working environment for our employees, partners and customers.
